CLAIMS FOR RELIEF

COUNT I

(Goods Sold and Delivered)

22. Plaintiff repeats and realleges the allegations contained in paragraphs 1 through 21 of the Complaint as though set forth fully herein.

23. The Debtors sold the products ordered by Defendant and delivered them to Defendant pursuant to the terms of the parties’ agreements and ordinary course of business.

24. Defendant accepted the products delivered by the Debtors without objection.

25. Upon delivery, Defendant became obligated to pay for those products at the agreed prices pursuant to the terms of the agreement by the due date on the invoices.

26. The total amount owed, as listed on Exhibit A, remains unpaid.

27. Defendant has failed to pay for the goods, despite Plaintiff’s demand for payment.

28. Plaintiff is entitled to a judgment in the amount of \$141,033.14 for the price of the goods sold and delivered.

WHEREFORE, Plaintiff prays for judgment against Defendant for the value of the goods sold and delivered to Defendant, in the amount of \$141,033.14, plus prejudgment interest, costs, any applicable attorney's fees, and for such other and further relief as the Court may deem just and proper.

COUNT II
(Breach of Contract)

29. Plaintiff repeats and realleges the allegations contained in paragraphs 1 through 21 of the Complaint as though set forth fully herein.

30. Prior to the Petition Date, the Debtors and Defendant entered into the agreement in which Defendant agreed to pay the Debtors for any goods sold and delivered to Defendant.

31. The Agreements were valid and enforceable contracts the terms of which Defendant is obligated to perform.

32. Debtors performed under the contract by delivering to Defendant the goods set forth on the invoices.

33. Defendant has failed to pay Debtors an amount not less than \$141,033.14 for the products ordered and delivered pursuant to the agreements, which constitutes a material breach of Defendant's obligations under the agreements.

34. As a direct and proximate result of Defendant's breach, the Debtors incurred damages in an amount not less than \$141,033.14.

35. Plaintiff is entitled to a judgment against Defendant in an amount not less than \$141,033.14.

WHEREFORE, Plaintiff prays for judgment against Defendant for all damages caused by Defendant's breach of the agreements in the amount of \$141,033.14, plus prejudgment interest,

costs, any applicable attorney's fees, and such other and further relief as the Court may deem just and proper.

COUNT III
(Account Stated)

36. Plaintiff repeats and realleges the allegations contained in paragraphs 1 through 21 of the Complaint as though set forth fully herein.

37. Defendant ordered products from the Debtors, and the Debtors invoiced Defendant for those products, creating a debtor-creditor relationship between Defendant and the Debtors.

38. The Debtors sent invoices to Defendant setting forth the amounts due and owing for Defendant's purchase of goods from the Debtors.

39. Defendant never objected to the invoices and, therefore, consented to the amounts owed.

40. Plaintiff has demanded that Defendant pay for the goods that it purchased and received from the Debtors.

41. Defendant has failed and refused to pay for the goods received from the Debtors.

42. There is an account stated for the sale of goods due and owing to the Debtors in the amount of \$141,033.14, and Plaintiff is entitled to a judgment in that amount.

WHEREFORE, Plaintiff prays for judgment against Defendant for account stated in the amount of \$141,033.14, plus prejudgment interest, costs, any applicable attorney's fees, and for such other and further relief as the Court may deem just and proper.

COUNT IV
(In the Alternative – Unjust Enrichment)

43. Plaintiff repeats and realleges the allegations contained in paragraphs 1 through 21 of the Complaint as though set forth fully herein.

44. The Debtors provided and delivered the products ordered by Defendant under the reasonable expectation that Defendant would pay the full fair market value for the products.

45. Defendant accepted the products, and has appreciated, retained and enjoyed valuable benefits from the products. As such, Defendant should have reasonably expected to repay Plaintiff for the products in accordance with the terms of the agreements.

46. Defendant has not paid or otherwise compensated the Debtors for the products, as set forth in Exhibit A.

47. Under these circumstances, allowing Defendant to retain and enjoy the benefits of the delivered products without fully compensating the Debtors would result in an inequitable outcome and unjustly enrich Defendant.

48. There is no adequate remedy provided by law; therefore, Defendant is liable to Plaintiff for the full fair market value of the delivered products, in the amount of \$141,033.14, and Plaintiff is entitled to a judgment in that amount.

WHEREFORE, in the alternative to the relief requested in Counts I through III, Plaintiff prays for a determination and judgment that Plaintiff is entitled to recover the amount by which Defendant was unjustly enriched, in the amount of \$141,033.14, plus prejudgment interest, costs, any applicable attorney's fees, and for such other and further relief as the Court may deem just and proper.
